

AIR FRESHENER DISINFECTANT (Lavender, Blush, Peach and Rose)

INTRODUCTION

Lavender Fresh and Rose-Fresh are Air Fresheners specially designed for use in low-pressure hand spray units. It is highly concentrated and has been formulated as a fully emulsifiable and stable product that can be freely rinsed off without leaving oily residue so common with standard type of air fresheners. What makes this product even more economical is the fact that the same container "low pressured hand spray unit" can be used over and over again.

ADVANTAGES

- Non-toxic under normal conditions of use
- Safe on hard and soft surfaces
- Has excellent storage life
- Completely water rinsable
- Fully emulsifiable
- Economical

DILUTION

Use "**AS IS**"

METHOD

Spray when necessary in small squirts from the centre outwards

CAUTIONS

Although AIR FRESHENERS are relatively safe with no hazardous implications, it is always advisable to take the necessary precautions as is with all Chemical Cleaning Products.

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests.
