BRITER-WHITE BLEACH

(Extra powered Laundry Bleach - Sodium Hypochlorite Solution)

INTRODUCTION

Briter-White Bleach is a standard bleach containing 3.5% plus available active ingredients. It has a four-point action - it bleaches, disinfects, deodorizes and sanitizes cottons, linens, whites and fast colours (it is always advisable to run a check on fabrics when in doubt of colour fastness).

ADVANTAGES

- Mixes easily with water
- Non-flammable
- Free-rinsing

DILUTIONS

Laundry	Mix 15ml product with 5 litres water, add laundry, soak, wash and rinse well. For stubborn soils, soak stained item in warm water, then soak in a solution of 100ml product with 5 litres water for 10-20 minutes, wash and rinse well.
Toilet bowls	Pour 100ml product into toilet bowl; allow to stand for 10 - 25 minutes, then flush. For heavy stains allow to stand overnight.
General disinfecting and deodorising	Mix 100ml product in 5 litres water, leave item in solution for 5 minutes, wash in solution and rinse well.
Sanitizing:	Food contact surfaces and other areas not contaminated with bodily secretions and excretions 20ml product in 5 litres water.

CAUTIONS

BRITER-WHITE BLEACH contains Sodium Hypochlorite - Hazchem Code: 2R UN No. 1791 - CAS Registration Number: 07681-52-9 - which is corrosive, yields oxygen which can stimulate the combustion of organic matter and toxic in its Raw Material State. Always be familiar with the relevant Hazard Guide Sheet and use protective apparel when using this product especially gloves and goggles/face mask - and always handle with extreme care. Provide adequate ventilation when using. Avoid prolonged contact with hands and avoid contact with skin, eyes and clothing. The wearing of safety apparel is recommended. In case of eye contact, immediately flush eyes with cold water and consult a physician. Wash hands thoroughly after use. Do not swallow - if swallowed do not induce vomiting but consult a physician immediately. Store in a safe place away from children, pets and unauthorised personnel. It is always advisable to let your nearest base for Medical Assistance have a copy of this Data Information Sheet and its relevant Hazard Guide Sheet.

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests.
