HI-FLIER

[Foaming Liquid Vehicle Wash & Wax]

INTRODUCTION

HI-FLIER is a vehicle cleaning liquid compound which cleans and then replaces wax removed with a new hard buffable wax. This product is a high foaming detergent cleaner that leaves a hard long-lasting, safety protection on hard metal surfaces. It is excellent for cleaning aircraft as it does not contain any chlorides, is pH neutral, has anti-static properties, has anti-condensation properties and is non-corrosive.

ADVANTAGES

- Non-toxic under normal conditions of use
- Bio-degradable
- Non-flammable

DILUTION ½ - 1 cup in ¾ bucket of warm water:

METHOD

Initially hose the vehicle down (in a shaded place if possible), wash and clean with HI-FLIER, rinse with clean water and dry with a clean chamois or cloth. When totally dry, shine or buff with clean dry cloth or buffing apparatus.

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests
