

SAN-KLEEN

[HIGHLY CONCENTRATED SANITARY DISINFECTANT CLEANER]

INTRODUCTION

SAN-KLEEN is a yellowish, specialised, deodoriser and disinfectant cleaning product with long-lasting pleasant pine fragrance, which can be mixed to 1:10 with water and still effectively kills most germs. In addition to effective actions this product has excellent antiseptic, reagent preservative and disinfectant reaction properties. This product gives excellent results when used as a toilet bowl cleaner.

ADVANTAGES

- Non-toxic under normal conditions of use
- Safe on hard and soft surfaces
- Has excellent storage life
- Mixes easily with water, yet rust-inhibited
- Fast dissolving action on soils
- Leaves a pleasant long lasting fragrance
- Free rinsing properties
- Fully emulsifiable
- Economical
- Biodegradable

METHOD

In addition to the household cleaning advantages this product has been specially designed for industrial institutions, education institutions, large area cleaning and disinfecting, etc.

CAUTIONS

Although SAN-KLEEN is relatively safe with no hazardous implications, it is always advisable to take the necessary precautions as is with all Chemical Cleaning Products.

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests.
