

SATIN BLUE HAND SOAP

(DELUXE LIQUID HAND SOAP)

INTRODUCTION

This product is an economical, high foaming, high-grade hand soap. It contains lavender fragranced toilet grade soap, an emollient and a soluble cleaner. It acts against the common everyday soils, fats, grease oil, ink, etc. without resorting to harsh alkalis or abrasives. It has neutral pH content and hands the skin remains healthy and moist even after repeated applications. This product is especially designed for use in dispensers or from containers and is recommended for use in toilets, hotels, kitchens, restaurants, butchers and other industries.

ADVANTAGES:

- Biodegradable
- Economical
- Non-toxic
- Non-irritating to the skin
- Non-abrasive
- No drying out action on the skin
- Very free-rinsing, leaves hands feeling smooth and fresh
- Flows freely from dispensers

DILUTION Use **“AS IS”**

CAUTIONS

Although SATIN BLUE HAND SOAP is relatively safe with no hazardous implications, it is always advisable to take the necessary precautions as is with all Chemical Cleaning Products.

This is an environmentally friendly product and can therefore be handled completely without fear of contamination, poisoning or skin irritation. If swallowed, drink excess amounts of water and/or milk to induce vomiting.

The recommendations herein are based on laboratory tests and in field experiments. To the best of our knowledge these are accurate and since conditions of actual use are beyond our control, all recommendations are made without any warranty whatsoever

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests.
