

SODIUM HYPOCHLORITE 60% (Sodium Hypochlorite Solution)

INTRODUCTION

Sodium Hypochlorite 60% is a liquid chlorinated sanitizer exhibiting a broad kill spectrum. Sodium Hypochlorite also inhibits algae and bacterial growth.

ADVANTAGES

- Mixes easily with water
- Non-flammable
- Free-rinsing

DILUTIONS

1 - 2 ml per Lt of cold water (100 to 200 parts per million of active chlorine)

CAUTIONS

Sodium Hypochlorite 60% contains Sodium Hypochlorite - Hazchem Code: 2R UN No. 1791 - CAS Registration Number: 07681-52-9 - which is corrosive, yields oxygen which can stimulate the combustion of organic matter and toxic in its Raw Material State. Always be familiar with the relevant Hazard Guide Sheet and use protective apparel when using this product especially gloves and goggles/face mask - and always handle with extreme care. Provide adequate ventilation when using. Avoid prolonged contact with hands and avoid contact with skin, eyes and clothing. The wearing of safety apparel is recommended. In case of eye contact, immediately flush eyes with cold water and consult a physician. Wash hands thoroughly after use. Do not swallow - if swallowed do not induce vomiting but consult a physician immediately. Store in a safe place away from children, pets and unauthorised personnel. It is always advisable to let your nearest base for Medical Assistance have a copy of this Data Information Sheet and its relevant Hazard Guide Sheet.

WARRANTY

We warrant our goods to conform to our standard specifications. This warranty is in lieu of any and all other warranties or guarantees. Our obligation hereunder for breach of such warranty is limited to either refund of the purchase price or replacement of said product as we may elect. We make no other warranties, express or implied, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE.

We believe that the statements, technical information and recommendations contained herein are reliable, but are given without warranty or guarantee of any kind except as specified above. Beyond that specified above, we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of the use of, or inability to use, our goods. Their quality and suitability for a particular purpose or use should be confirmed by the user's own tests.
